

# Seaway/West Walker Challenge

**Wednesday, August 19th at West Walker**  
**Wednesday, August 26th at Seaway**

It's time for the annual Seaway/West Walker Challenge.

This is a fun shoot open to all Seaway and West Walker members. You shoot 50 birds at WWSC the first week, and 50 birds at Seaway the second week. If you can make both shoots that's great, it's a fun time each week, but better to come to just one than none at all.

There will be three events offered at each club, Skeet, Trap and 5-Stand. You choose 2 of the 3 events to shoot for a total of 50 birds at each club. The cost for 50 birds is \$12.00 and that includes food. Dinner at each club will be available starting at 6:00. Shooting can start as early as 4:30 at each club. We expect to be shooting all night, so come when you can.

Dinner will be potluck when the shoot is at our club. Everyone knows how amazing the potluck dinners are at West Walker and our members make it that way. So if you can, please bring a dish to pass on Wed, August 19 when the shoot is at our club. We appreciate your help and support !

**See you there !**
