

Earn Awards and recognition for your Shooting!

West Walker Sportsman's Club is proud to announce that we will be participating in the **Winchester / NRA Marksmanship Qualification Program.**

The program provides the standards and criteria to be met, as well as incentive awards for developing and improving marksmanship skills. Progression is self-paced and scores are challenging but attainable. Performance is measured against established par scores and any shooter who meets or exceeds those scores is entitled to the corresponding recognition awards for that rating.

Shooters acquire the large discipline patch at the onset of the program and as each rating is earned, they are entitled to all of the corresponding awards. Each rating level has a skill rocker, medal, and certificate award that recognizes and highlights the achievement.

We will be offering the following qualifications @ WWSC:

- Pistol Qualification**
- Conventional Bullseye Pistol**
- Rimfire Rifle**
- International Air Rifle**
- Shotgun**

Members can come in and shoot the program at your own pace during normal range hours. We will have all of the appropriate targets (for a small fee, usually \$1 - \$2) and scoring sheets / qualification material available at the Range Office, just bring your guns, ammo and safety equipment.

The public will be Welcome to come and shoot for Qualifications on the 2nd Tuesday of the Month, from 5-9 PM at our indoor range.

The cost for these events will be \$25 for each session and will include the range time, targets and certification award. These sessions will not include Shotgun.

Shotgun Certifications can only be earned during our normal trap / skeet times, please see the calendar on our website @ wwsc.org for available shotgun field times
